# Konsept

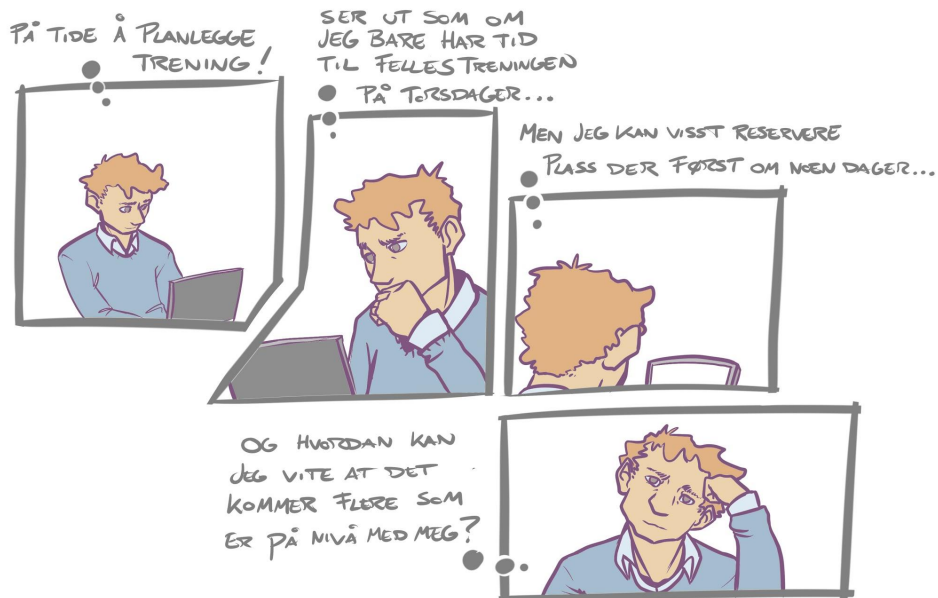

## App for NTNUI Squash

### Feltstudie:

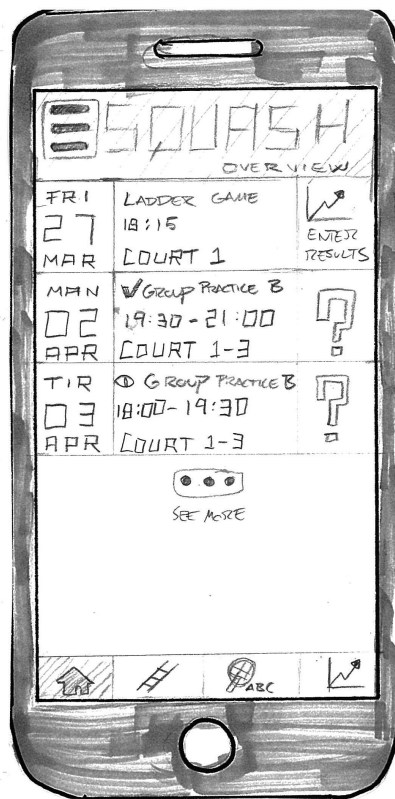

Intervju og brukerundersøkelse

Gi bedre oversikt over:

- kommende treninger og resultater
- gjøre ukentlige påmeldinger enklere

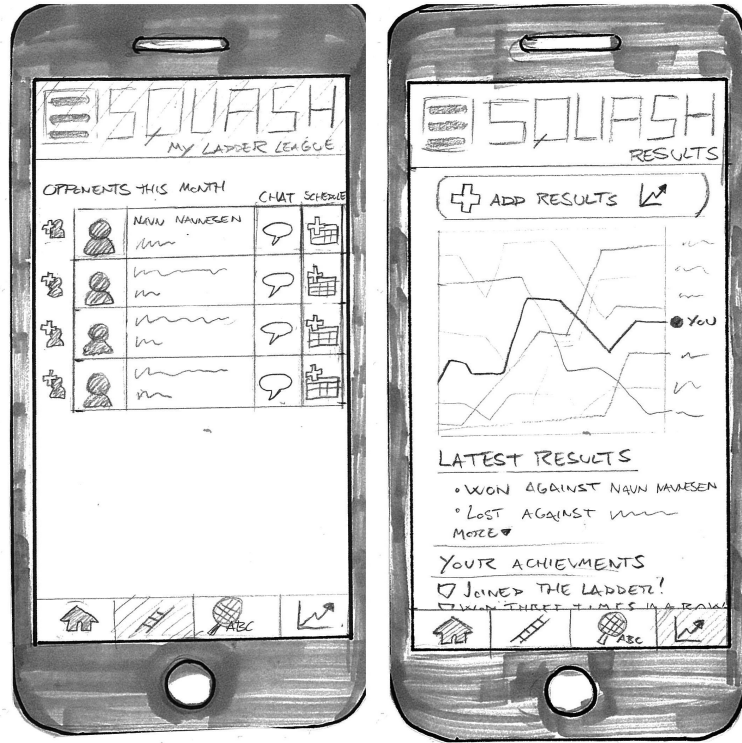

# Papirprototypen

## Positivt:

- Tydelig og oversiktlig forside
- Intuitiv bekreftelse av oppmøte
- All navigasjon hadde fin flyt

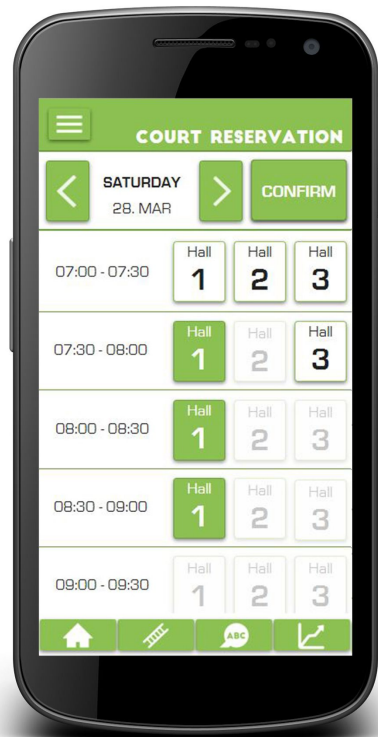

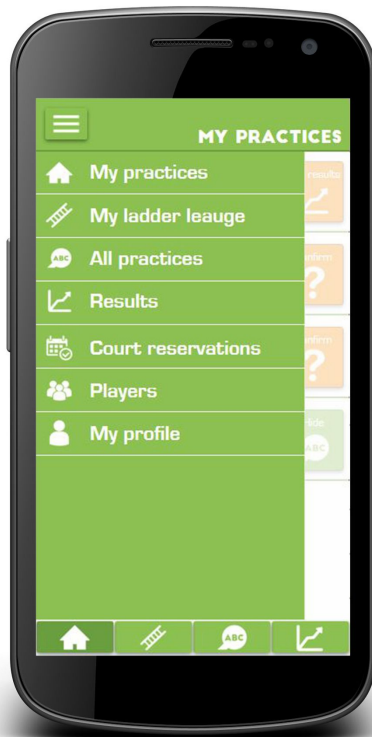

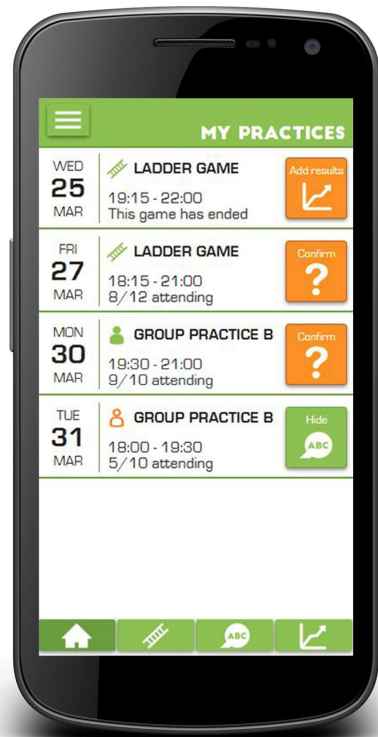

# Papirprototypen

## Måtte endres:

- Annet type stigespill
- Ikoner
- Mer helhetlig struktur

# Axure-prototyp

# Refleksjoner om prosjektet

- Unngå antakelser
- Givende å få tilbakemeldinger underveis
- IPD og IDI utfyller hverandre bra!
